Movie Details Based On Date(---RETIRED---)

Grade settings: Maximum grade: 100

Disable external file upload, paste and drop external content: Yes

Based on: Movie Details Based On Date

Run: Yes Evaluate: Yes Automatic grade: Yes

Write a query to display the screening id, movie name, from date and to date of all the movies. If the to date is not available, then display 'Yet to be Decided'. Give an alias name for the to date of the movies as END_DATE.

MOVIE TICKET BOOKING

Sort the results based on the screening id in ascending order.
